

MCM SORBENTS

Products & Pricing

2015

We supply general purpose, oil-only and Hazmat Socks, Booms and Pillows. Our Products come in multiple sizes and can be made in custom lengths as required.

What is the most exciting about these products? ... Not only are they **100% Canadian** made right here in **Ontario**, they are also made from **recycled contents!!** Also, our oil-only products are made with 100% recycled polypropylene fibres and have been tested numerous times in emergency oil and hazardous spills throughout Canada and the USA.

Marine Booms White Oil-only

- ◆ Flexible tubes filled with highly absorbent 100% recycled polypropylene material
- ◆ All-in-one construction stitches the sock and net together and aligns the rope along one side
- ◆ Available in 5" and 8" diameters
- ◆ Oil-only booms absorb petroleum-based liquids but resist water
- ◆ Contains a high-performance blend of chopped polypropylene fibers and additives
- ◆ A strong rope runs along the length
- ◆ Has rust-proof end rings and snap hooks

Format	Size	Units/Case	Weight/Case	\$/Case
Marine Booms White Oil-only	5" x 240"	2	24 lbs.	\$110.50 CAD
Marine Booms White Oil-only	8" x 240"	2	34 lbs.	\$132.60 CAD
Marine Booms White Oil-only	5" x 120"	4	24 lbs.	\$110.50 CAD
Marine Booms White Oil-only	8" x 120"	4	34 lbs.	\$132.60 CAD

Custom Sizes are Available

KEY FEATURES

- ◆ End rings and snap hooks make deployment of the desired length fast and easy
- ◆ Can stretch without failing
- ◆ Contains a proprietary additive to increase absorbency and help keep booms afloat even when they are fully saturated
- ◆ Made with 100% recycled content

APPLICATION

The ideal solution when you need to quickly and effectively contain petroleum-based spills from spreading on water or in outdoor environments where you want to avoid soaking up water.

Bilge Booms White Oil-only

- ◆ Bilge/Storm Drain Absorbent Booms are perfect for catching contaminants in run-off or keeping the boat bilge clean
- ◆ Lower a bilge boom into your bilge, sump, catch basin or tank to remove oil, not water. Bilge booms float on top of water, even when completely saturated. Booms are highly absorbent and come with steel rings to attach a rope for easy deployment.
- ◆ Bilge booms are available in 8" x 18" and 5" x 15" sizes. The Bilge Soaker is filled with shredded polypropylene
- ◆ All-in-one construction stitches the sock and net together
- ◆ Oil-only booms absorb petroleum-derived fluids but resist water
- ◆ Contains high performance blend of chopped polypropylene fibers and additives
- ◆ A cord is attached securely to one end

Format	Size	Units/Case	Weight/Case	\$/Case
Bilge Booms White Oil-only	5" x 15"	10	10 lbs.	\$81.77 CAD
Bilge Booms White-Oil only	8" x 18"	10	12 lbs.	\$88.40 CAD

Custom Sizes are Available

KEY FEATURES

- ◆ All-in-one construction makes this mini-boom extremely strong
- ◆ Small size, flexible design means it fits easily into confined space
- ◆ Cord attached to the end makes placement and removal easy
- ◆ Made with high recycled content

APPLICATION

Specifically designed for use in bilges and sumps, these strong, lint-free mini-booms can also be very effective in absorbing oil-based spills and leaks outdoors in environments where you want to avoid soaking up water.
